INTRA-LABORATORY MEMO

Received: December 19, 1975

TO: CHR Records Room
FROM: Jan Lieben, M.D.
SUBJECT: Contacts

12/4/75:

1. Re Received permission from and
for exhumation of above.
2. Forwarded both to M. M. Shanahan. This concludes this
case.

12/11/75:

3. Re Called Mrs. of
Danbury, Connecticut, phone
, to make an appointment. "No I can't
see you." I explained purpose of visit. "I need some
proof that you are on the level. A letter from MIT or
Argonne." I promised to supply this and would also send
her the forms. Mrs. brother, or
lives on San Diego, Calif.

4. Called M. M. Shanahan to write the letter.

12/14/75:

5. Re Visited
at his residence at Atlantic
Heights, N. J., Explained purpose of my
visit re exhumation of his mother. He was worried
regarding his own radiation exposure while a fetus -
he was 4 years old when she died. I discussed this with
him. Obtained no commitment. He will think things over
and let me know - left forms with him. The best time to
call him is about 9:00 p.m., that is when he gets up to
go to work as a truck driver. His uncle,
in Houston, Texas, has died and he is the only survivor.
(See M. M. Shanahan note of 9/17/74.)
